Assignments and Announcements

practice spelling words at <http://www.spellingcity.com/fiveces/>

review reading vocabulary at <http://www.quia.com/profiles/dsurat10>

Students need 10 AR points at the end of the quarter for an A+.

No lesson this week. We will be writing a persuasive essay as well as completing some open ended questions.

Students need 10 AR points by the end of the quarter! Does your child have this completed? They must be reading at home!

-Because of the short week we will be reviewing skills. No reading story this week.. (updated 10.22)

Students should be reading at their level and taking AR quizzes.

We will be looking at author's view point, lesson 8. Students are required to read AR books and test over them. Ten points earns an A+ at the end of the quarter. (10.3)

-Story for the week of Oct. 21- no story

-Skills: comprehension

-Vocabulary quiz over lesson 9 will be on Thurs., Oct. 31 (Updated 10.21)

Written Practice 33-35 There will be a math test on Wed.. Students will also have Accelerated Math to work on. (updated 10.10)

*ALL students have Accelerated Math to work on. Check with your child to see if they remember their times tables. Math is much easier if they know them.

Lessons- 32-34

*ALL students have Accelerated Math to work on. (Updated 10.21)

Continue with Chapter 5 this week. Establishment of the colonies.

Chapter 3 covers ecosystems.
