

Student Leadership Meeting

Tuesday Oct. 22, 2013

Members Present: Students from the Senior and Junior Classes

Topic:
Student Pride and Participation

A lengthy discussion took place on how to increase student pride and participation in not only school activities but attendance at school functions.

A suggestion was brought forth to bring back the Cub Crazies that was in place in the mid 2000's. Students felt that organizing a group that would promote school spirit would help to unite students and get them to attend all school events.

Captains were elected: Tyson Fleury, Maci Burke, Dylan Dominiack, Morgan Valandra

They decided on a T-Shirt color and design and have set up a meeting for the following week to meet with the students to sign students up and get T-shirts ordered. The captains will meet to plan future events.
